

## News from the Anglican Centre · May 2014

Greetings everyone,

Immediately following the resurrection, Jesus appears to a couple of disciples who were travelling on the road to Emmaus. After the initial greetings, we have these verses recorded in Luke's Gospel (24:25-27)

*'He said to them. "How foolish you are, and how slow of heart to believe all that the prophets have spoken! Did not the Christ have to suffer these things and then enter his glory?" And beginning with Moses and all the Prophets, he explained to them what was said in all the scriptures concerning himself.'*

I wish I'd been there to hear that! Actually, I wish I'd been there for the whole of that period between the Resurrection and the Ascension when, as Acts describes it (Acts 1:3b):

*'He appeared to them over a period of forty days and spoke about the kingdom of God.'*

That's it! - No more information! Just forty days of teaching and encouragement before he ascended to be with the Father.

In many ways these forty days from Easter to Ascension are the most exciting period in our church's calendar. We realise that in the light of the Resurrection we have a gospel to proclaim and we have the example and the responsibility of preaching and teaching this within the framework of the kingdom of God. It's a privilege to be part of a Diocese that embraces this challenge so enthusiastically and seriously.

I sincerely appreciated the turnout from Nelson and Waimea Deaneries at the midday service on Maundy Thursday in the Cathedral. Central to the service is the renewal of our ordination vows (and the baptismal vows for the lay folk present). It had a real sense of 'retreat' about it before heading into the activities of Easter.

Several parishes have been in contact and shared quite enthusiastically about the services over Easter – and of the numbers attending. The media makes a big deal about the numbers turning out for ANZAC commemorations (which here in Nelson is more about media hype than reality). But many of our Churches also experienced larger numbers of visitors than previously. It still remains a great opportunity that we need to grab hold of.

Easter Sunday in the Cathedral was very moving – and a really good crowd. The organist capped it off by playing the Widor Toccata as the final voluntary. It's one of those pieces of music that is total celebration from start to finish. A glorious way to finish the service – a stroke of brilliance from the assistant organist.

The week before Easter I was at Victory Community Anglican Church and loved every moment of the service there. Charles and Mary Worsley have been an absolute gift to the parish. Many places do a bit of a 'nose-dive' during a period of interregnum but with Charles and Mary, Victory has continued to fire on all cylinders. I am so grateful to Charles and Mary for their amazing servant hearts.

Greg and Jacqui Holmes and their son Samuel arrive here in the next week or so and will be inducted into the parish at 7.00pm on Tuesday 27<sup>th</sup> May. The parish are really looking forward to their arrival.

Next week we head away to General Synod at Waitangi in the bay of Islands. All the motions and bills have arrived and a cursory reading of them would suggest that this General Synod has the potential to be as polarising as ever. One person who holds a provincial position has commented in a talk at St John's College (something that many of us had also noted) that the bills and motions seem to be either about money, sex or power! Please pray for us over the next two weeks and for the Church.

The Nelson representatives are:

Me (Bishop Richard),  
Rev Dr Andrew Burgess  
Archdeacon Tim Mora  
Mr Ian Pask  
Mrs Rebecca Burgess  
Mr Russell Smith

Please keep the Solomon Islands in your prayers – following the recent earthquake and flooding. Particularly pray for our companion Diocese of Malaita and Bishop Sam and Rosemary Sahu.

There are a few things coming up that are advertised elsewhere in this Ad Clerum:

School of Preaching in May, (Unfortunately I won't be there as I'll be on the return trip from General Synod – stopping in to speak at the 'Plugged In' conference in Palmerston North).

Clergy conference in July (Please get your registrations in to assist in booking. – This is required attendance from all stipendiary clergy – and a children's ministry to enable spouses to come as well).

WillowCreek Global Leadership Summit on the 7<sup>th</sup> November and we have organised a group discount to enable people to come with teams. This is a really worthwhile leadership training event that is best experienced with key leaders from the parish with you.

And finally, Rev Steve Maina will be bringing Pastor Oscar Muriu here to Nelson for one day (on the 30<sup>th</sup> June). Oscar is the senior Pastor at the Nairobi Bible Chapel – a huge church that is planting new churches across Kenya and beyond. Dawn Daunauda's son Michael spent a year as an intern in this church and was deeply impacted by the experience. Andrew Burgess and I visited the Church on the final Sunday of our visit to Nairobi last year. He is an outstanding speaker. I know it's a Monday, but he is worth coming to hear. We'll be hosting an open meeting at the Cathedral and then having an in-house meeting for our clergy with Oscar.

Marge Tefft's father, Bob, passed away on the 26<sup>th</sup> of last month. Thanks to God's amazing timing, Marge was over visiting with her Mum and Dad and was able to be there for his last days. She is staying on to take her Dad's funeral – this was his wish and the family's desire. Robin has stayed behind here to hold the fort. He and Marge were already planning to go to the States together at the end of the year, so that will be their time together with Marge's family. They will be holding a memorial service in Greymouth at 7.30pm on the 20<sup>th</sup> May – after Marge returns home.

And finally a very special welcome to Sue and Andy Fallow. Sue began work as our Children and Families Ministry Enabler on the 29<sup>th</sup> April. She has such a passion for this area of ministry that I hope will be infectious within the Diocese.

With every blessing

+Richard

Also I have been made aware that there is still some confusion about who can come to EQUIP. ## **SOCIAL SERVICES ENABLER**

Greetings everyone, Please let me know if you have any queries about Eldercare ministry while Charles is away on sabbatical – I'm really happy to visit to encourage and support what you are doing or talk to your Vestry. Is your 'lead worker' getting plenty of support so they can support the folk God sends them? Are you/they thinking about recruiting some other helpers to this ministry? I encourage you to look towards increasing your prayer support for Eldercare (indeed other outreach as well) as well as actively identifying folks in the +65 age group who may be approached to assist. There is great potential – an increasing number of 'un or de'- churchd, alone/lonely/isolated people in our communities...and not everyone is able (or willing) to come to an event/seminar. Those involved in the ministry would be the first to agree and they wonder how to reach them.

Please plan for Social Services Sunday coming up on 27 July. Resources are prepared this year by Wellington Diocese and can be found on their webpages.

There is a new 'bequest' initiative being launched shortly to include parishes, BTC and Diocesan social services ministry – be sure to look out for this.

Blessings
