Deacons as Prophets

Social Service:
(not 'or' but 'and')
Social Justice

Deacon School in 2019 will be held between Friday 5th April and Wednesday 10th April

The venue will be the St Margaret's College in Christchurch

Deacons as Prophets Programme

Deacon School is for (vocational) deacons and deacons in training.

The work of Deacon School is an effective and strategic way to not only strengthen the renewal of the diaconate as a whole but the ministry of each individual minister. Participation enables deacons to have a stronger sense of their vocation as well as confidence in their formation.

This year's focus : Deacons as Prophets

With the help of our invited speakers and by listening to one another we will explore the relationship between social service and social justice.

Participants are invited to choose from the following: either a two and half day 'conference-type' gathering for **or** the complete five day School. The five day School is planned to meet the needs of those who have yet to complete the three year curriculum of topics **but is open to everyone.**

Our weekend will be a time of gathering, learning and celebration. As in previous years, our time together will be nourished by daily prayer and study.

Friday: Please plan to arrive in time for dinner at 6pm followed by Workshop I

Saturday: Speaker/Panel and Visits

Sunday: Eucharist and Workshop 2

Monday (am): Workshop 3

Weekend participants plan to depart **after** the Monday morning session and lunch can be provided in the case of later flights. The programme continues for those in residence until Wednesday.

For those who are completing the five days, the Year Two workshops for Monday afternoon through to Wednesday have yet to be confirmed but will include pastoral care topics. There is an opportunity for participants to request a particular topic relevant to their ministry. Those who have come for the five days will depart on **Wednesday** after lunch.

An invitation is again being extended to Methodist deacons to join us and a meeting of the DANZA will take place to report on the regional and world-wide networks of deacons and deaconesses.

Full details of this year's programme will be available mid February.
